## BIOGRAPHY

Glenn was raised as a Catholic but he and his family were introduced to the gospel by his uncle when he was a young teen growing up in London, England.

He joined a local church where he received a word of prophecy from a guest minister from Texas, when he was just 15 years old. The Word of the Lord to him said that he would, "...write many books and travel many waters and God will give you an anointing to make that which is complicated become easy..." At that time, Glenn had no desire to read a book never mind write a book and he had no plans to leave his home! But God placed a calling on his life. As a teenager, his passion was soccer and he had an opportunity to play professionally but he would give this up for the Gospel.

After receiving teaching tapes from one of his pastors, Glenn developed a love for God's Word and he began to listen extensively to established ministers, such as Kenneth Hagin, Kenneth Copeland and others. Soon after, he began teaching at his church cell group.

He met and married Rosanna in London in 1990. Shortly afterwards he launched into 'full-time' ministry: the preaching engagements were part-time but he was full-time in the Word and in prayer.

His first International ministry trip was to the Isle of Guernsey followed by Nigeria, a country that he has returned to more than 150 times since. The next few years required much sacrifice, but God was faithful! Glenn's preaching engagements increased, as did the anointing of God upon him.

With the help of his wife and friends he produced his first book – *10 Keys to Success* – and his first audio tapes, *Expect the Best* and *Two Healing Questions Answered*.

God honored Glenn's faith and commitment and as Glenn expanded his knowledge of His Word, God expanded Glenn's opportunity to teach, travel and be a blessing to believers all over the world.

Through the years Glenn has seen the Word given to him as a teenager come to pass, as he does, indeed cross many waters, ministering in many nations and continues writing books.

He and his wife Rosanna now live in the USA and have 3 children, Lisa, Ethan and Jodie, and a grand-daughter, Aurora.
